

# A Night of Entertainment - Live Music and Silent Auction...

And all for a Good Cause!

**Igor Vasiljevic**, victim of a unwarranted and brutal attack was left fighting for his life. After 3 weeks, he is finally stable and is starting the long process of rehabilitation. The altercation has left Igor with a brain injury. During these hard times Igor will need funding for recovery and day to day existence.

We ask for your support on the behalf of Igor.  
Please join us for the evening of entertainment.
